

# Overview of Environmental Lands Ride Options

Map not intended for navigation. Refer to the appropriate preserve map for more detailed information.

Be prepared when you ride here because you are on your own. Carry your phone, water, a snack and be able to repair a flat tire. Bikes with 1.5" tires and wider are recommended.

Hard Packed Gravel —  
 Grass/Dirt —  
 Paved —

- |                            |                       |
